

For The Children ...Brazil

A Ministry Outreach of Calvary Chapel Miami Beach

Issue 5, Summer 2010

The Time Is NOW!!!

Jeremiah 23:5

Behold the days are coming says the Lord that I will raise a Branch of Righteousness. A King shall reign and prosper and execute judgment and righteousness in the earth.

It has been a season of trial and waiting upon the Lord for His perfect time for the Piagetti family. Since the spring of 2009 there has been non-stop illness. Nothing terminal, Praise God but none the less exhausting and stressful from all the emergency room visits. This was truly a season of reflection and stillness before God waiting to hear what is next for Brazil. However still the season, the Spirit kept moving. Alex is wrapping up a Bible study for teens and young adults in a park in Hialeah that are involved in gangs and criminal activity.

Erika is refreshing her skill as midwife as well as leading a Facebook Bible study with approx 115 members. Through this season, God has lit the flames of our heart with the truth of the spiritual season we are all living in. The branches of the fig tree are becoming tender and are putting forth leaves. (Matt 24:32) Our time here is short and it is high time that we awaken out of sleep!

Would you please consider becoming a financial partner in sending the Piagetti family to plant churches and serve the children of Fortaleza, Brazil?

Our salvation is near. The night is far spent the Day of the Lord is almost here. Although Christians are being persecuted, earthquakes, environmental catastrophes wars and rumors of wars are all about us, nothing can compare to what Christ wants to do in these last days in the hearts of His children and the world. He wants to refresh us with a torrent of His Spirit to live it all out for Him.

Please Pray For

- * Our house to sell quickly
- * Faithful monthly support
- * An affordable place to live
- * The people and children of Fortaleza
- * Ease of moving the whole Piagetti clan

To support us financially you can make your tax deductible donation to For the Children Brazil online at ftcbrazil.org.

Living It All Out For Jesus

After the 2010 Senior Pastor's Conference in Murrietta, the Piagetti Family has been given the go ahead by our Pastor Robert Fountain to move to

Brazil. Our house is currently for sale and we are faithfully praying for partners to join in this ministry that God is preparing. We desperately seek to be busy doing what God has called us to do but we need your help. Please continue to pray for our safety, guidance and for faithful support to provide for our family and the work of this ministry. Pray for the Brazilian workers already laboring in Fortaleza. Jesus IS coming people get ready. Soon we'll be going home!
